

Block Grant Carryover Program

DESCRIPTION OF MAJOR SERVICES

Alcohol and Drug Services (ADS) utilizes this Special Revenue fund to hold money received from the State Department of Alcohol and Drug Programs (ADP) under a multi-year cost reimbursement contract that allows the county to retain unused federal Substance Abuse Prevention and Treatment (SAPT) funds for use in the next fiscal year. These funds are to be spent on alcohol abuse prevention, education, and treatment in schools and the community as described in the annual update to the contract between county and the state. Funds are transferred to ADS based on the needs of the program.

At the end of 2001-02, this fund was converted from a trust fund to a special revenue fund due to an accounting change (GASB 34). This fund does not directly spend funds or provide services. It is strictly a financing budget with the actual expenditures occurring within the operating budget unit of ADS.

There is no staffing associated with this budget unit.

Departmental revenue of \$1,384,560 includes \$1,184,560 of funds received from ADP and \$200,000 of interest revenue. The decrease of \$510,841 is primarily due to an anticipated decrease in funds received from ADP.
